"Earn a career not just a degree!"

B.S.C. BIOTECHNOLOGY

4 - Year Undergraduate Programme

ABOUT LLOYD

The Lloyd Group of Institutions, one of the best education institutes with 20 years of academic legacy, offers education in the fields of management, law, pharmacy, engineering and Science since its inception in 2003. At Lloyd Institute, we focus on providing an industry-integrated academic environment to make our students ready to face the corporate world with confidence and fervour.

Lloyd Institute of Management & Technology was established in the year 2004 and is a part of the Lloyd Group of Institutions, Greater Noida. The Lloyd campus is spread over 10+ acres in ZERO POLLUTION Greater Noida and continues to be a benchmark in the domain of education. At Lloyd Institute, we are committed to graduating students who embody the values of competence, care, creativity, and generosity. With a global perspective and a focus on holistic development, we strive to empower our students to become successful and ethical leaders in their respective fields.

Biotechnology is among the fastest-growing fields in the world — transforming medicine, agriculture, environment, and industry. At Lloyd Group of Institutions, we offer B.Sc. Biotechnology (Honours + Research), a 4-year programme under NEP 2020 that goes beyond the conventional degree. Affiliated to Chaudhary Charan Singh University (CCSU), Meerut, this programme is designed for students who want to not just learn science — but apply it, question it, and advance it. Every semester builds on the last, culminating in a full year of supervised, original research.

- Fully compliant with NEP 2020 — Multiple Entry & Exit system with Academic Bank of Credits (ABC)
- Research-integrated curriculum with mandatory dissertation in Year 4
- Industry internships and value-added certifications built into the programme
